## The Allendale Draft

Allendale Farms, Ltd., Flesherton, Ont., are bringing a special draft of 14 females, all young cows. Each of these has a husky calf at foot or is pregnancy examined safe in calf. They represent some of the strongest bloodlines of the breed. The service sire is Louada Copyright, purchased for \$5,000 in the Canadian International Bull Sale. Here is a good working unit that has been maintained under practical conditions on northern Ontario's rugged countryside. They represent truly sound buying opportunities. Transferred pedigrees for each lot from the Allendale consignment will be provided in the Canadian Short-horn Herd Book. Further transfer to the American Herd Book at \$10 is at the expense of the buyer.

LAKESIDE BUTTERFLY 4th—A grand headed, thick, deep calf by Lakeside Banner, the \$1,675 champion at the Best of Midwest sale last fall. Lakeside Butterfly is one of our favorite daughters of Louada Broadsword and we had intended to retain this daughter but have decided to consign her as a special attraction. Deep in the blood of Bapton Constructor, this heifer has got to be a good one. Calfhood vaccinated.

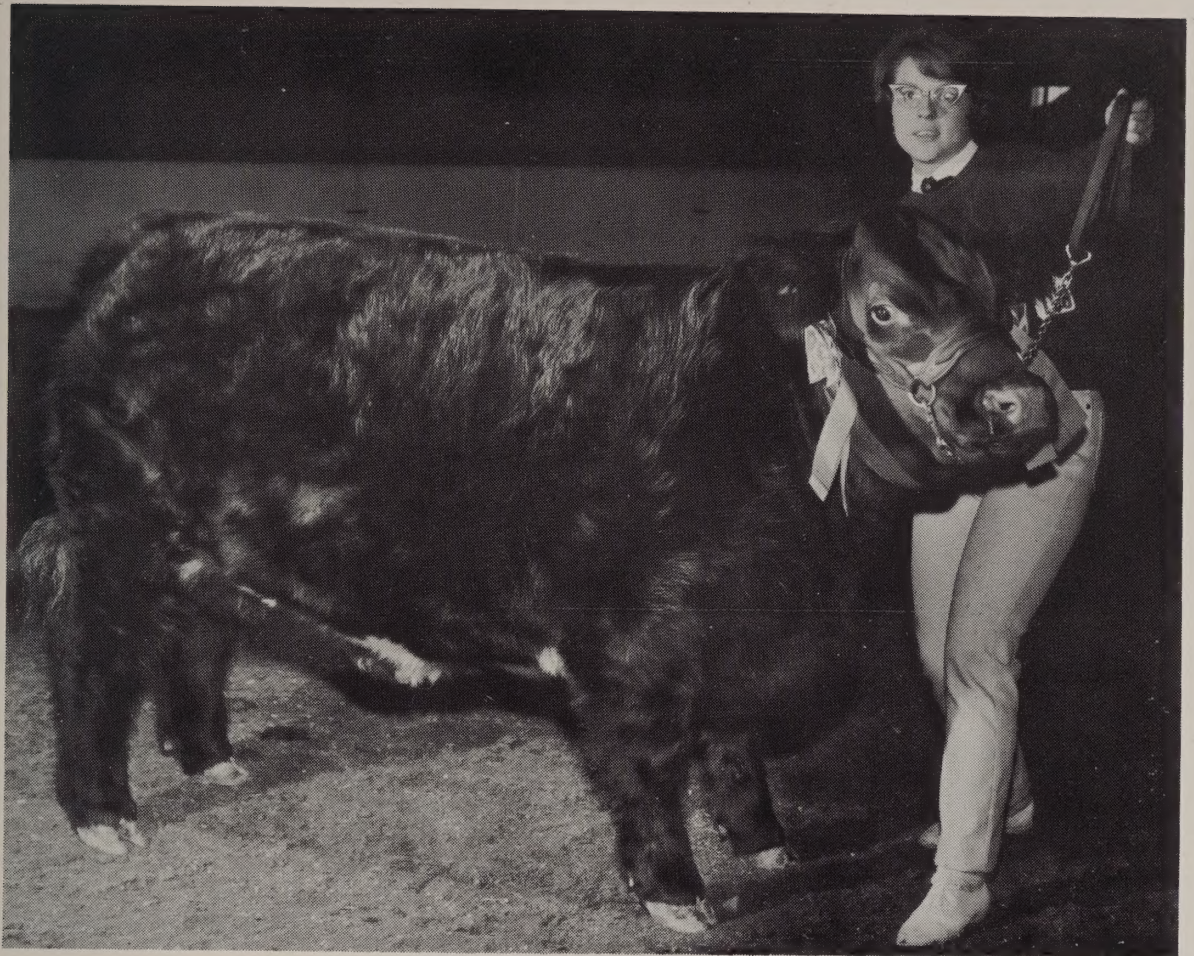

**LOUADA BROADSWORD** did a great job in the George McLachlan herd. He sired the champion pair at the Best of Midwest show and sale in both 1964 and 1965. One grandson and two granddaughters sell.
